**Department of Administration
Division of Architectural Services****Notice to Consulting Architects and Engineers**

The Kansas Department of Administration is inviting all consulting firms who are interested in providing architectural and engineering services for capital improvement projects to prequalify themselves with the Division of Architectural Services, a division of the Department of Administration. Architectural work shall include landscape architecture. Engineering services shall include asbestos and environmental engineering.

In order to prequalify, the firm must have an architect or engineer registered with the State Board of Technical Professions in any discipline to which the firm is seeking work; i.e., a structural engineer must seal the structural drawings with his Kansas engineering seal.

In addition to the above, the statutes require that firms annually submit a statement of qualifications. In this regard, a completed Federal SF 254 form must be submitted by January 3. Additional information is available by contacting Gerald R. Carter, AIA, Deputy Director, Planning & Project Management, Division of Architectural Services, 625 Polk, Topeka 66603; (913) 233-9367; FAX (913) 233-9398.

**Department of Administration
Division of Architectural Services****Notice of Commencement of Negotiations
for Technical Services**

Notice is hereby given of the commencement of negotiations for surveying and soil testing for state construction projects for the six-month period from January 1, 1992, to June 30, 1992. Soil testing services would include testing and reporting prior to the construction and inspection services during construction. Firms that provide concrete, welding, asphalt and steel testing are also being sought.

Firms interested in providing these services should submit their SF 255 indicating their qualifications, fees for their services, and geographical areas of the state in which they are willing to work to Gerald R. Carter, AIA, Deputy Director Planning & Project Management, Division of Architectural Services, 625 Polk, Topeka 66603-3288, (913) 233-9367. An original and four copies of the SF 255 form (plus attachments as required) should be submitted with letters of interest.

It is the intention of the division to pre-approve a separate group of qualifying surveying and testing firms and award projects on a rotational basis. If a firm anticipates being limited to specific sized projects, by dollar volume or location in the state, that information should also be supplied with the response.

Any questions or expressions of interest should be directed to Gerald Carter on or before January 3.

**Notice of Commencement of Negotiations
for Technical Services**

Notice is hereby given of the commencement of negotiations for air and water balancing services of mechanical systems for state construction projects for the six-month period from January 1, 1992, to June 30, 1992.

Interested individuals or firms in the balancing field must be certified by the National Environmental Balancing Bureau or the Associated Air Balance Council. Said individuals or firms must be engaged in balancing work on a full-time basis. Balance agencies which are of the same parent company as the designers or contractors of a particular project will not be considered for that project.

Firms interested in providing these services should submit a letter indicating their qualifications, fees for their services, and geographical areas of the state in which they are willing to work to Roger C. Linneman, Division of Architectural Services, 625 Polk, Topeka 66603-3288, (913) 233-9367.

It is the intention of the division to pre-approve a separate group of qualifying balancing contractors and award projects on a rotational basis. If a firm anticipates being limited to specific sized projects, by dollar volume or location in the state, that information should also be supplied with the response.

Any questions or expressions of interest should be directed to Roger Linneman on or before January 3.

Family and Children Trust Fund Solicitation

Application kits will be available for the programs listed below from the SRS area offices beginning December 23:

Program I—Continuation Grants. The programs currently receiving first, second or third year trust fund grants are eligible to apply for second, third or fourth year grants. All applications will be subject to the trust fund guidelines being issued December 23. Each program will be notified the maximum amount of funds available to them in 1992.

Program II—New Community Based Child Abuse and Neglect and Family Abuse Prevention Grants. Approximately five to ten new programs will be funded in dollar amounts ranging from \$500 to \$20,000, with one exception up to \$30,000 for an extraordinary, innovative or exceptional proposal.

Applications for Program I and Program II must be submitted to SRS no later than 5 p.m. February 21. Late applications will not be considered. Final award decisions will be made by the Children and Youth Advisory Committee. Successful applicants will be notified about June 19.

A pre-submission teleconference will be conducted Thursday, January 9. Questions regarding this notification or the teleconference should be directed to the SRS area office chief of social services; Dave O'Brien of SRS Youth and Adult Services, (913) 296-2017; or Doug Bowman, coordinator of the Children and Youth Advisory Committee, (913) 296-4646.

Grain Inspection Department

Notice of Hearing on Proposed
Administrative Regulations

The Kansas State Grain Inspection Department will conduct a public hearing regarding adoption of amended K.A.R. 25-4-4 as a permanent regulation at 10 a.m. Wednesday, January 22, in the conference room of the Kansas State Grain Inspection Department, 700 Jackson, Suite 800, Topeka. The permanent regulation, if adopted, will become effective 45 days after publication in the Kansas Register.

The department proposes to increase the fees of K.A.R. 25-4-4 to cover the cost of the services provided. Based on current licensed facilities, this small increase in fees would generate approximately \$21,900 of additional revenue. This addition has been factored in as revenue for the department's fiscal year 1993 budget.

All interested parties may submit written comments during the 30-day notice period prior to the hearing to the director, Kansas State Grain Inspection Department, P.O. Box 1918, Topeka 66601-1918. All interested parties will be given a reasonable opportunity to present their views orally on the proposed regulation during the hearing.

Copies of the full text of the regulation and the economic impact statement may be obtained by contacting the director at the address above, (913) 296-3451.

Proposals will be issued upon request to all prospective bidders who have been prequalified by the Kansas Department of Transportation on the basis of financial condition, available construction equipment, and experience. Also, a statement of unearned contracts (Form No. 284) must be filed. There will be no discrimination against anyone because of race, age, religion, color, sex, handicap, or national origin in the award of contracts.

Each bidder shall file a sworn statement executed by or on behalf of the person, firm, association or corporation submitting the bid, certifying that such person, firm, association or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid. This sworn statement shall be in the form of an affidavit executed and sworn to by the bidder before a person who is authorized by the laws of the state to administer oaths. The required form of the affidavit will be provided by the state to each prospective bidder. Failure to submit the sworn statement as part of the bid-approval package will make the bid nonresponsive and not eligible for award consideration.

Plans and specifications for the projects may be examined at the office of the respective county clerk or at the KDOT district office responsible for the work.

Department of Health
and EnvironmentNotice Concerning Kansas
Water Pollution Control Permits

In accordance with state regulations 28-16-57 through 63, 28-18-1 through 4, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, tentative permits have been prepared for discharges to the waters of the United States and the state of Kansas for the applicants described below. The tentative determinations for permit content are based on preliminary staff review, applying the appropriate standards, regulations, and effluent limitations of the state of Kansas and the EPA, and when issued will result in a state water pollution control permit and national pollutant discharge elimination system authorization to discharge subject to certain effluent limitations and special conditions.

State of Kansas

Board of Emergency Medical Services

Permanent Administrative Regulations

Article 2.—AMBULANCE SERVICES; PERMITS AND REGULATIONS

109-2-7. Classes of ambulance vehicles. Licenses shall be issued for three classes of ambulance vehicles in the state. These classes shall be known as type I, type II, and type V. Each ambulance vehicle operated by a service that has been issued a permit shall be licensed in accordance with the provisions set forth in these regulations.

(a) Each type I vehicle shall be:

(1) Equipped to provide emergency care as described in K.S.A. 1990 Supp. 65-6119;

(2) in compliance with all vehicle specifications and equipment requirements set forth in K.A.R. 109-2-8 (a), (b), (c), (d), and (f); and

(3) staffed with at least two attendants during patient transport, including at least one currently certified mobile intensive care technician. The second attendant may be either a currently certified emergency medical technician, emergency medical technician-intermediate, emergency medical technician-defibrillator, or mobile intensive care technician.

(b) Each type II vehicle shall be:

(1) In compliance with the vehicle specifications and equipment requirements set forth in K.A.R. 109-2-8 (a), (b), (c), and (d); and

(2) staffed with at least one currently certified emergency medical technician and one other person certified by the American Heart Association in "Course C," or the American Red Cross in "Professional Rescuer" and certified in basic first aid care by the American red cross on and after January 1, 1991. On and after September 1, 1992, the second person shall be a currently certified first responder or a currently certified attendant. An emergency medical technician, emer-

gency medical technician-intermediate or emergency medical technician-defibrillator shall be in the patient compartment during patient transport.

(c) Each type V vehicle shall be:

(1) Dedicated for ambulance use and in compliance with the provisions of K.A.R. 109-2-11 or 109-2-12; and

(2) staffed with a driver or pilot and at least two attendants, one of whom shall be a licensed physician, a registered nurse, or a certified mobile intensive care technician. The second attendant shall be a licensed physician, a registered nurse, a certified mobile intensive care technician or a registered respiratory therapist. At least one attendant shall be certified in advanced cardiac life support or the equivalent approved by the board. (Authorized by K.S.A. 1990 Supp. 65-6110, implementing K.S.A. 1990 Supp. 65-6110 and 65-6135; effective May 1, 1985; amended May 1, 1987; amended, T-88-24, July 15, 1987; amended May 1, 1988; amended Aug. 27, 1990; amended Feb. 3, 1992.)

Article 5.—CONTINUING EDUCATION

109-5-1. Continuing education. (a) Each applicant for certification renewal as a first responder shall have earned at least eight clock hours of documented and approved continuing education as follows:

(1) A minimum of 75% of the required eight hours shall come from categories I, II, or both as described in K.A.R. 109-1-1;

(2) a maximum of 25% of the required eight hours may come from category III as described in K.A.R. 109-1-1;

(3) courses from categories IV, V, VI, and VII, as described in K.A.R. 109-1-1, shall not count towards first responder continuing education credit.

(b) Each applicant for certification renewal as an emergency medical technician shall have earned at least 14 clock hours of documented and approved continuing education as follows:

(1) A minimum of 50% of the required 14 hours shall come from categories I, II or both as described in K.A.R. 109-1-1.

(2) A maximum of 50% of the required 14 hours may come from category III as described in K.A.R. 109-1-1.

(3) A maximum of 10% of the required 14 hours may come from category VII as described in K.A.R. 109-1-1.

(4) Courses from categories IV, V, and VI as described in K.A.R. 109-1-1 shall not count towards emergency medical technician continuing education credit.

(c) Each applicant for certification renewal as an emergency medical technician-intermediate shall have met the requirements for emergency medical technician certification renewal and have earned at least four additional clock hours of documented and approved continuing education from category IV as described in K.A.R. 109-1-1.

(d) Each applicant for certification renewal as an emergency medical technician-defibrillator shall have met the requirement for emergency medical technician certification renewal and have earned at least four additional clock hours of documented and approved continuing education from category V as described in K.A.R. 109-1-1.

(continued)

(e) Each applicant for certification renewal as a mobile intensive care technician shall have earned at least 30 clock hours of documented and approved continuing education as follows:

(1) A minimum of 40% of the required 30 hours shall come from categories I, II, or both as described in K.A.R. 109-1-1.

(2) A maximum of 50% of the required 30 hours may come from category III as described in K.A.R. 109-1-1.

(3) A maximum of 10% of the required 30 hours may come from categories IV, V, VII, or a combination of those categories as described in K.A.R. 109-1-1.

(4) Courses from category VI as described in K.A.R. 109-1-1 shall not count towards mobile intensive care technician continuing education credit.

(f) Each applicant for certification renewal as an instructor-coordinator shall demonstrate:

(1)(A) Current attendant certification at or above the level endorsed as an instructor-coordinator;

(B) current licensure as a physician licensed to practice medicine and surgery; or

(C) current licensure as a licensed professional nurse; and

(2) attendance at an instructor-coordinator meeting approved by the board; and

(3) completion of any one of the following:

(A) the teaching of six college hours or 90 contact hours per year of EMS initial training;

(B) obtaining a minimum of six college hours of credit per year from an accredited college or university towards a teaching degree or a degree in a health care specialty;

(C) attendance at a minimum of 12 contact hours education in teaching theory or methodology as approved by the board; or

(D) annual attendance at an instructor-coordinator workshop approved by the board.

(g) One clock hour of continuing education credit means a minimum of 50 minutes of classroom instruction between instructor and participant.

(h) One academic credit hour shall be equivalent to 15 clock hours for the purpose of continuing education credit. Credit for auditing an academic course shall be for actual clock hours attended during which instruction was given and shall not exceed the academic credit allowed.

(i) Acceptable continuing education shall include:

(1) Academic medical courses related to the level of certification whether taken for credit or audited;

(2) seminars, institutes, workshops, or mini-courses oriented to enhancement of emergency medical services practice, values, skills, and knowledge;

(3) approved-provider programs;

(4) programs presented by approved single-program providers;

(5) clinical experience which meets criteria established by the board; or

(6) correspondence courses which meet criteria established by the board.

(j) Each first responder, attendant or instructor-coordinator shall be responsible for maintaining supplemental instruction records. These records shall be submitted to the board by the first responder, atten-

dant or instructor-coordinator as part of the application for certification renewal. (Authorized by 65-6110 and implementing K.S.A. 1990 Supp. 65-6111; effective, T-88-12, May 18, 1987; amended, T-88-24, July 15, 1987; amended May 1, 1988; amended July 17, 1989, amended Feb. 3, 1992.)

109-5-4. Regaining expired certification. (a) If within two years of the date of the expiration of a first responder's certification or attendant's certification such person applies for renewal of the certification, certification may be granted by the board to such applicant without such applicant taking the examination, if such applicant has:

(1) Made application to the board on forms provided by the administrator;

(2) paid a fee as prescribed by K.A.R. 109-7-1; and

(3) completed continuing education as follows:

(A) Each first responder shall complete at least 16 clock hours of documented and approved continuing education in category I, category II, or both as described in K.A.R. 109-5-1 and K.A.R. 109-1-1;

(B) Each emergency medical technician shall complete at least 28 hours of documented and approved continuing education in categories I, II, III, VII, or a combination of these categories as described in K.A.R. 109-5-1 and K.A.R. 109-1-1;

Article 8.—EXAMINATIONS

109-8-1. Examinations. (a) The examinations approved by the board for instructor-coordinator certification, first responder certification and each level of attendant certification shall be the examinations approved by the board on October 4, 1991.

(b) Each applicant for certification shall obtain a minimum score of 70% on the written examination and shall demonstrate competency in activities, authorized by statute, as evaluated by the administrator or the administrator's designee using criteria approved by the board.

(c) The written examination and each section of the practical examination may be taken a maximum of three times for any level of attendant or first responder certification during the period of eligibility specified in K.S.A. 65-6129. (Authorized by and implementing K.S.A. 1990 Supp. 65-6110; effective, T-109-1-19-89, Jan. 19, 1989; effective July 17, 1989; amended Aug. 27, 1990; amended Feb. 3, 1992.)

Article 9.—INSTRUCTOR/COORDINATOR

109-9-1. Instructor-coordinator certification. (a) Each applicant for certification as an instructor-coordinator shall, upon application:

(1) Have been certified for at least one year as an emergency medical technician, emergency medical technician-intermediate, emergency medical technician-defibrillator, mobile intensive care technician, physician licensed to practice medicine and surgery or licensed professional nurse;

(2) demonstrate at least one year of field experience with an ambulance service;

(3) make application to the board upon forms provided by the administrator;

(4) have successfully completed an instructor-coordinator training program approved by the board;

(5) have obtained 70% or better on an instructor-coordinator certification examination approved by the board;

(6) have conducted an initial attendant or first responder training program which began within six months of successful completion of the instructor-coordinator training program with satisfactory class results as defined in K.A.R. 109-9-5; and

(7) have undergone a satisfactory evaluation of the training program conducted by board staff to insure maintenance of instructor-coordinator standards as defined in K.A.R. 109-9-5.

(b) Each candidate for instructor-coordinator certification shall not be certified until the requirements of this regulation and K.A.R. 109-9-6 have been satisfied.

(c) Candidates for instructor-coordinator certification shall be granted course approval if:

(1) The candidate has successfully completed an instructor-coordinator training program approved by the board;

(2) the candidate has obtained 70% or better on an instructor-coordinator certification examination approved by the board; and

(3) the application for course approval is complete.

(d) Each instructor-coordinator requesting endorsement by the board to instruct and coordinate any level of attendant training other than emergency medical technician shall, upon application:

(1) Have been certified for at least one year as:

(A) a mobile intensive care technician;

(B) a physician licensed to practice medicine and surgery;

(C) a licensed professional nurse; or

(D) at the level of certification for which the applicant is requesting endorsement; and

(2) have successfully completed an appropriate course of instruction approved by the board.

(e) The certificate shall be valid through December 31 of the year following that in which it was initially issued, and may be renewed thereafter for a period of one year if the instructor-coordinator completes the continuing education requirements prescribed by K.A.R. 109-5-1.

(f) If within two years of the date of expiration of an instructor-coordinator's certification such person applies for renewal of the certification, certification may be granted by the board to such applicant without such applicant taking the examination, if such applicant has:

(1) made application to the board on forms provided by the administrator;

(2) paid a fee as prescribed by K.A.R. 109-7-1; and

(3) completed continuing education as follows:

(A) 40 contact hours in adult education theory and methodology as approved by the board; and

(B) an instructor-coordinator workshop approved by the board. (Authorized by and implementing K.S.A. 1990 Supp. 65-6110; effective, T-109-1-19-89, Jan. 19, 1989; effective July 17, 1989; amended Aug. 27, 1990; amended Feb. 3, 1992.)

109-9-4. Instructor-coordinator training. (a) Each applicant for training as an instructor-coordinator shall:

(1) Have been certified for at least one year as:

(A) an attendant;

(B) a physician licensed to practice medicine and surgery; or

(continued)

- (C) a licensed professional nurse;
- (2) demonstrate at least one year of field experience with an ambulance service;
- (3) make application to the board upon forms provided by the administrator; and
- (4) provide letters of recommendation from:
 - (i) a person licensed to practice medicine and surgery;
 - (ii) the director of the ambulance service that serves the community in which the applicant resides; and
 - (iii) the administrator of a hospital that serves the community in which the applicant resides.
- (b) Each applicant who meets these requirements shall successfully complete an evaluation of knowledge and skills as determined by the board.
- (c) The administrator shall accept applicants for training based upon an assessment of state and community needs using criteria developed by the board. (Authorized by and implementing K.S.A. 1990 Supp. 65-6110; effective, T-109-1-19-89, Jan. 19, 1989; effective July 17, 1989; amended Feb. 3, 1992.)

Article 11.—COURSE APPROVALS

109-11-2. Crash injury management technician course approval. (a) Prior to July 1, 1992, any person who is certified as a crash injury management technician on July 1, 1991 may:

(1) Apply for certification as a first responder and be granted such certification by the board without taking the examination and without completing further training; or

(2) apply for certification as an emergency medical technician and be granted such certification by the board without taking the examination, provided the applicant completes ten hours of training which:

- (A) was approved by the administrator;
- (B) is conducted by an instructor-coordinator; and
- (C) covers esophageal airways, pneumatic anti-shock garments, and intravenous therapy monitoring. (Authorized by K.S.A. 1990 Supp. 65-6110; implementing K.S.A. 1990 Supp. 65-6129; effective, T-109-1-19-89, Jan. 19, 1989; effective July 17, 1989; amended Feb. 3, 1992.)

109-11-6. Mobile intensive care technician course approval. (a) Only an instructor-coordinator who holds a current board endorsement to instruct and coordinate this level of training shall apply for course approval.

(b) The instructor-coordinator shall submit an application for approval of the proposed course to the administrator. The application shall include:

- (1) The name, address, and telephone number of the instructor-coordinator;
- (2) the location of the course;
- (3) the name of the sponsoring organization;
- (4) the name, address, and telephone number of a contact person for the sponsoring organization;
- (5) the name, address, and telephone number of the medical director;
- (6) the dates the course will begin and end;
- (7) the times and duration of scheduled classes;

- (8) the number of students anticipated;
- (9) a summary of the course;
- (10) a description of the clinical rotation;
- (11) a description of the field rotation; and
- (12) letters from the medical adviser of the ambulance service providing ambulance service to the community in which the class is taught, the director of that ambulance service, and the administrator or the administrator's designee of the hospital in which the clinical rotation is provided, indicating their willingness to provide the support as defined in the curriculum.

(c) Each application shall be submitted not later than 15 days before the first scheduled class. An incomplete application shall not be accepted.

(d) Each instructor-coordinator shall meet or exceed the requirements outlined in the department of transportation course guide HS 900 088 as in effect on January 1, 1989.

(e) Each approved mobile intensive care technician course shall:

(1) Meet or exceed the curriculum standards as described in K.A.R. 109-10-1 (f);

(2) consist of a minimum of 1200 hours of training, including at least:

(A) Four hundred hours of didactic and skills laboratory instruction by qualified instructors as defined in K.A.R. 109-11-9;

(B) two hundred and thirty-two hours of clinical training at a hospital by qualified instructors as defined in K.A.R. 109-11-9; and

(C) four hundred hours of field internship training with a type I ambulance service by qualified instructors as defined in K.A.R. 109-11-9.

(f) Each instructor-coordinator shall, within 10 days after the first class session, provide the administrator with an enrollment form from each student.

(g) Any approved class may be monitored by the administrator or the administrator's designee. (Authorized by K.S.A. 1990 Supp. 65-6110; implementing K.S.A. 1990 Supp. 65-6129; effective, T-109-1-19-89, Jan. 19, 1989; effective July 17, 1989; amended Feb. 3, 1992.)

109-11-9. Instructor qualifications. (a) Each instructor-coordinator, training officer, and approved-program providers shall select qualified instructors as determined by training and subject matter as follows:

(1) The minimum qualifications for each didactic instructor shall be as stated in the DOT curricula course guide and instructor lesson plans of the level of training provided. In the absence of available instructors with qualifications as stated in the DOT curricula course guide and instructor lesson plans of the level of training provided, the instructor shall be approved by the administrator.

(2) Each medical skills laboratory instructor and assistant instructor shall be:

(A) a physician, registered nurse, or allied health personnel who possesses certification, registration, or licensure in the subject matter being taught; or

(B) an attendant certified at the level authorized to

engage in activities associated with the skill being taught.

(3) Each skills laboratory instructor and assistant instructor for non-medical skills shall have technical training in and shall possess knowledge and expertise in the skill being taught.

(4) Each instructor of clinical training being conducted in a clinical health care facility shall be a licensed physician or a licensed professional nurse.

(5) Each instructor of field internship training being conducted with a pre-hospital emergency medical service shall be an attendant certified at or above the level of training being conducted.

(b) Each instructor-coordinator, training officer, and approved-program provider shall maintain records of

all instructors and lab assistants used to provide training. These records shall include:

(1) the individual's name and qualifications;
(2) the subject matter the individual taught, assisted in teaching or evaluated;

(3) the dates the individual instructed, assisted, or evaluated; and

(4) the students' evaluations of the instructors. (Authorized by and implementing K.S.A. 1990 Supp. 65-6110; effective Feb. 3, 1992.)

We are pleased to announce that custom-made *Kansas Register* binders are now available!

These binders will hold your copies of the *Kansas Register* attractively for permanent use. They are highest quality, durable, casebound Swing Hinge® binders made by McBee Loose Leaf Binder Products. (A Swing Hinge® binder has more capacity and allows for easier interfiling than standard ring binders.) They feature dark blue cloth covering and gold imprinting. Each three-inch binder will hold up to a year's worth of *Register* issues.

Order your binders today!
